

**2010 SUMMER POSITION FOR
AN ENGINEERING FACULTY MEMBER
with INTEREST & EXPERIENCE IN PUBLIC POLICY**

or

A SCIENCE & TECHNOLOGY PUBLIC POLICY PROFESSIONAL

An outstanding faculty member or policy professional (Faculty-Member-in Residence) is needed to mentor and teach engineering students about the interaction between S&T and policymaking during the 2010 WISE Program in Washington, DC.

WISE is a 9-week summer program (June – August) during which 10-12 undergraduate engineering students work under an FMR's guidance and their sponsoring societies, to learn how legislative & regulatory policy decisions are made, and how engineers can contribute to the process. WISE interns interact with Washington decision-makers, and prepare and orally present an extensive research paper at the end of the program. For more information, visit the WISE web page at www.wise-intern.org.

The WISE FMR will:

- Instruct WISE Interns on the basics of good policy research, writing, and analysis.
- Organize regular visits and discussion sessions with policy decision-makers (at least 2/week).
- Supervise students' preparation of a substantial policy paper.
- Be a professional advisor and mentor to the WISE interns.
- Interact with representatives and staff of the engineering societies that sponsor WISE Interns.

Applications will be evaluated based on the following criteria:

- Experience and credentials.
- Knowledge of public policy, especially at the federal level.
- Experience dealing with students and publication of policy papers.

To apply, please send a letter of interest, current vita or resume, and two letters of recommendation addressing the above criteria, to:

WISE FMR c/o Marjorie Springer
2001 L Street, N.W., Suite 700
